

Corsair 37RS Carbon

Offshore Cruiser Racer, Specifications

The Corsair 37RS Carbon is the most technologically advanced Corsair yet. Featuring a full carbon fiber build, the Corsair 37RS's lightweight construction and high strength realizes the boats performance potential. The Corsair 37RS features a shallow draft with retractable dagger board and rudder for exploring, a carbon rotating wing mast and quality deck hardware. It boasts an intelligently designed deck layout, with halyards, topping lift, reefing and outhaul controlled at the mast. All other control lines go to the cockpit for ease of sail handling and control. The interior brings more of the amenities you've come to expect from our larger boats: a functional yet spacious galley, ample cabinet and storage space, comfortable curved settee with seating for six, enclosed head with molded-in vanity

with sink and shower attachment. Forward, a spacious v-berth easily sleeps two adults in unmatched comfort. There is additional sleeping for two in the spacious aft-cabin and the dining area converts into an additional bunk in main cabin.

The base boat includes the following features:

- Lightweight, high strength carbon fiber skins on the main hull and deck, floats and interior furniture; lightweight aluminum folding system
- Cruising main and roller furling jib sails from North Sails and mainsail lazy cradle
- Rotating carbon wing section mast, with main, jib spinnaker and screecher halyards; carbon boom with internal outhaul and in-boom hardware for slab reefing; stainless steel headstay and synthetic shrouds, two Harken B40.2 self tailing primary winches on cabin top; two 10" handles; two Harken B32.2 self tailing halyard winches on mast with four Spin lock XCS rope clutches; two Harken 42.2A main sheet winches, two Harken 42.2 coaming winches; 4:1 Harken traveler control; one Harken Big Boat Series traveler car; two jib sheets.
- Carbon fibre bowsprit with deck hardware for spinnaker and screecher
- Harken Unit 1 jib furler
- One foredeck hatch, two 10x10 main cabin hatches (one in head area, one in main cabin); one hatch on each float (ama), escape hatch in aft cabin. 3 port lights and one aft access hatch
- Self-draining anchor locker
- Electrical system with breaker panel, test meter, 12V accessory outlet and dual battery selector switch; navigation, foredeck & cabin lights (does not include battery)
- Compass and VHF mast head antenna; tinted polycarbonate cabin windows and hatch boards
- Two cockpit storage compartments
- Pulpit and stern rails with custom seating
- Grey wing and bow nets; built in 12v refrigeration
- Main cabin galley area with pressure cold water. Two-burner alcohol stove and stainless-steel sink
- Enclosed head compartment with vanity, shower and pump out system
- Red interior upholstered cushions; main cabin table; boarding ladder with transom mounting
- Transom shower; owner's manual

Base Boat US\$345,999. Prices are ex-works (Vietnam) and subject to change.
